The Navajo Nation government uses a sender verification system to eliminate spam, bulk and malicious emails. Thus, when emailing the Supreme Court from a non-Navajo Nation email address, make sure to verify your email address by following the instructions sent back to you by email. This will allow for your email to go through to the intended recipient.

The instructions in this public service announcements are intended only for the time period that the Court building is closed. If there are any questions, please contact the Court by telephone message or email. As a reminder, exterior doors to all judicial facilities are locked at all times and there is only minimum staff in judicial facilities as required to ensure essential services to the Navajo people and those who utilize the courts.

The Judicial Branch thanks the public for their patience. For the latest information and announcements from the Branch, please visit [www.courts.navajo-nsn.gov](http://www.courts.navajo-nsn.gov).
